

Eastern Counties League 2018

“Well done to all Hertfordshire players who participated in the Eastern Counties League. Hertfordshire completed the grand slam on Saturday beating Bedfordshire 18 points to 4. We also won every game on the executive rink. What an achievement, an average per game of 18.333 points for and 3.666 against and a win per game by 24 shots. This is only the third time in 20 years that we have achieved a grand slam but may be the first time we have achieved both seniors and executive - great job.”

Philip Clewes-Garner
Middleton & Eastern Counties Manager
