

Gentlemen just to update you as to where we stand with the Middleton and Eastern Counties League.

I sent invites to 66 players on the 17th of January and followed this up on the web site on the 11th of February and the 24th of February.

Of the 66 invitees I wish to thank the 50 who have now responded (34 nominations and 16 unavailable). You will note that this means 24.50% of the players did not respond giving a total of 49% who will not be playing this year.

I received some extra nominations via Steve Kilford and also directly adding a further 9 to our list so we have for this year 43 players in our initial squad.

We have enough players now for our games with an average of 34 nominations for each game this season.

I'm looking forward to working with you all, our objectives this year are at least a quarter final play off in the Middleton Cup and replicating what we achieved in the Eastern Counties league last season. Not easy targets but very achievable.

I will be in touch again early April.

Best Regards
Phil Clewes-Garner
