

Message from Middleton Cup Manager

"Gentlemen we seem to have a problem. It appears that not all of you received the e mails that I sent out on the 17th of January. As I now have to BCC all of you it does not give you the ability to see who received an invite and discuss with each other your nominations. I sent out the invites in three tranches and have only received a handful of replies. I did request that nominations be back by the 1st of March but would have expected a better response by now. I am hoping that the only issue is non receipt of the email as if its a case that you don't want to nominate it will be the first year I think in our history that Hertfordshire have not put a team forward for the Middleton Cup, Balcomb Trophy and Eastern Counties League".

Please refer to the list of invitees, if you did not receive the email please complete the nomination sheet and please use this to confirm your availability or not as the case may be to philipclewes_garner@hotmail.com . And again apologies if I have missed anyone out and please feel free to contact me on the e mail address or the phone numbers listed on the nomination sheet.

Also to bring you all up to date, John Dowler has offered to support me as a selector for the coming season. "

Best Regards
Phil Clewes-Garner
