

Middleton Cup v Bedfordshire on Saturday 10th July

Well done and congratulations to our Middleton Cup squad who today beat Beds by 17 shots. The green was difficult with a difference of 2 to 3 yards of pace from one end to the other, tricky lines and incredibly bumpy but our guys outshone Beds. At 17 ends across the green we were 11 shots down but won by 17 shots picking up 28 shots in the last 24 ends. We now go on to play Cambridgeshire on the 24th of July, venue yet to be arranged.
