

Arthur Parker (Bishops Stortford BC)

It is with regret that we have heard that Arthur died yesterday evening in hospital following a short illness.

Arthur had been a member of Bishop's Stortford Bowling Club for over 40 years. During that time he had been President, had contributed much to the club and was a Life Member. His involvement in bowls extended well beyond the club. He was a past President and a Life Member of EHBA and his bowling at County level meant he was widely known across Hertfordshire.

The funeral arrangements will be posted as soon as known.
