

## **SPECIAL DISPENSATION - MEN'S INTER-CLUB CHAMPIONSHIP 18<sup>TH</sup> JUNE**

The forecast today is dire. Greens may be deemed unplayable by their Green Keeper or Club and travel will be hazardous with roads awash.

For the Women's County Senior Fours - Please read the Competition Byelaw 5.F. and the section on Inclement Weather at the end (both on the website and attached).

For the Men's Inter-Club Team Championship; the Bylaw for this competition states that Matches can be determined as finished at 15 ends. If a tie, or deemed unplayable at less than 15 ends, or play not commenced then the result is determined by a toss of a coin.

After discussion with Steve Kilford we suggest that by mutual agreement the date could be re-arranged before the next round, however we acknowledge that arranging a mutually agreeable date for clubs and finding 24 players may be difficult and if no date can be agreed then the result will have to be by a toss of a coin.

Kind regards
