

Teams from Baldock, Garston, Buntingford and Harpenden competed in the club Team Ten Competition this morning at host clubs Buntingford BC and Bishops Stortford BC.

Despite the weather the matches were played to a conclusion resulting in wins for both Garston BC and Harpenden BC.

Both teams then travelled to Sawbridgeworth BC to contest the final.

The weather again threatened the event, however, it soon cleared and following a close match with Garston BC were declared Champions for 2025 with a win in the Singles and Fours and a greater shot difference overall.

**Hertfordshire Bowls wishes to record our thanks to the host clubs Buntingford BC, Bishops Stortford BC, Sawbridgeworth BC for the use of their greens and facilities and to the volunteers and members who supported this event as well as the volunteer markers and Umpires on the day. Thank you one and all!**

**Congratulations to Garston BC who were crowned champions and to whom the trophy will be presented at the Presentation Lunch on 2nd November 2025**
